The Waikato District Council is discontinuing our free library access with Hamilton City Libraries.

We are four kids from Tamahere Model Country School, who love reading. We have gone to Hamilton libraries all our lives and are unhappy with the decision that the Waikato District Council has made.

We are hoping the Waikato District Council will reverse their decision and we would love your support in this by signing our petition.

Attached is the letter we wrote to both the HDC and WDC.

Thank you for your support.

Titari, Zion, Pania & Ruby.
